

Barkley Sound Flotilla Opportunity!

Wild beauty and quiet coves abound in Barkley Sound, which mixed with the trip from Bellingham through the Strait of Juan de Fuca and back provides a large variety of cruising experiences. This year we offer you an opportunity to venture beyond the bounds of a normal charter and see one of our most pristine and treasured cruising grounds before the crowds appear and before its beauty is blanketed by summer fogs. Charter one of our well-maintained sailboats, motor yachts or trawlers, or reserve a stateroom, and take advantage of this special itinerary, the knowledge of your experienced guides and the camaraderie of fellow boaters.

Barkley Sound Flotilla Itinerary: We will travel from Bellingham out through the San Juan Islands and the Strait of Juan de Fuca, up the west coast of Vancouver Island and into Barkley Sound. Once there we will explore the three main island groups in the sound (the Deer Group, the Broken Group and the Pinkerton Islands), local towns and villages, as well as selected bays and fjords on Vancouver Island. Much of Barkley Sound is protected as a provincial marine park, providing us with a beautifully wild and un-marred cruising ground.

Bareboat Charter Option (Sat, June 12 - Fri, June 25, 2010): This is a two week trip with about 5 days used to travel to and from the Sound, leaving about 8 days for exploration of this beautiful area. Because the route necessitates transiting near coastal waters our insurance company will need to approve all resumes.

Charter Rates: \$250 per boat per week flotilla fee, plus your normal charter expenses. Please call for details.

Stateroom Rental Option: Rentals can be done for the whole trip or for either of the two weeks:

Week #1 (Sat, June 12 - Fri, June 18, 2010): From Bellingham out through the San Juan Islands, through the Strait of Juan de Fuca, up the west coast of Vancouver Island and into Barkley Sound. Transfers will be done in Ucluelet. It is probably easiest to fly into Tofino and catch a cab to Ucluelet or visa versa.

Week #2 (Sat, June 19 - Fri, June 25, 2010): Reverse of leg 1.

Stateroom Rates: \$1300 per cabin plus \$200 per person for either week #1 or #2, \$1900 per cabin plus \$400 per person for entire trip. Note: The "per person" fees cover the flotilla fee, food/beverages, fuel, moorage/dock fees, etc. They are intended to be all inclusive other than alcoholic beverages and personal shopping.

Flotilla Leaders:

Mike and Lauri Huston will be flotilla leaders with Mike as skipper and Lauri as naturalist and historian. Mike has over 45 years of sailing experience and is a licensed skipper. He has been teaching sailing for San Juan Sailing for the past five years. Lauri has been cruising and diving the waters of the Northwest for over 10 years and enjoys sharing her knowledge of the local history, flora and fauna. If you have questions about the trip feel free to call – Mike's cell number is 206-963-1308.
