

Spring Flowers Flotilla

April is the ideal time to enjoy the vividly beautiful flowers blooming throughout the Pacific Northwest. During this relaxed, 10-day flotilla we will venture through the San Juan Islands and Gulf Islands, stopping to enjoy gardens, festivals, and beautiful natural scenery as well. Anchor beside and tour the world-famous Bchart Gardens. Stroll through the rose garden at Roche Harbor Resort. Let your flotilla leader guide you through the Swinomish Channel to spend a lay day at charming La Conner, taking the time to tour the farms and colorful fields of the Skagit Valley Tulip Festival. Charter one of our well-maintained sailboats, motor yachts or trawlers, or reserve a stateroom, and take advantage of this special itinerary, the knowledge of your experienced guides and the camaraderie of fellow boaters.

Dates: Sat, April 17 - Mon, April 26, 2010 ("10 Days of Charter for the Price of 7 Days"... a 43% added value!)

Flotilla Fee: \$350 per boat (normally \$250/week). Plus your normal charter expenses.

Stateroom Rental Option: \$1400 per stateroom, single or double occupancy.

In addition to the stateroom rate, everyone onboard, including the skipper, will split the following expenses equally through use of a "ship's kitty": food, moorage, fuel, flotilla fee and other incidental expenses.
